Pt. 1034

(2) Communicate, within the scope of their duties, with a voluntary standard group, representative, or other committee member, concerning voluntary standards activities which are not substantive in nature.

(c) Commissioners can engage in substantive and non-substantive written communications with voluntary standards bodies or representatives, provided a disclaimer in such communications indicates that any substantive views expressed are only their individual views and are not necessarily those of the Commission. Where a previous official Commission vote has taken place, that vote should also be noted in any such communication. Copies of such communications shall thereafter be provided to the other Commissioners, the Office of the Secretary, and the Voluntary Standards Coordinator.

(d) The Voluntary Standards Coordinator shall be furnished a copy of each written communication of a substantive nature and a report of each oral communication of a substantive nature between a Commission official or employee and a voluntary standards organization or representative which pertains to a voluntary standards activity. The information shall be provided to the Voluntary Standards Coordinator as soon as practicable after the communication has taken place.
